“The History of Great Lent”

with Dr. Jim Skedros

We look forward to welcoming our dear friend Dr. Jim Skedros back to Saint Philip for this Lenten session, focusing on the development of this profound season of preparation, from the outlook and practices of the ancient Church to the present.

The evening will begin at 6 pm with PreSanctified Liturgy. A simple dinner, offered by our Choir, will follow at 7:15 pm, and Dr. Skedros will begin his presentation as dinner winds down. All members of our parish family, and interested friends, are very welcome to join us.
