WELCOME

Dear Brothers and Sisters in Christ,

Welcome home to Saint Philip! Our parish is the church home of nearly 300 Orthodox Christian families in the greater Nashua area. New parishioners are always welcome, as are those “seekers” interested in learning more about the Orthodox Christian Faith. All are welcome to come worship with us and engage parish life.

Within this brochure, you will see major aspects of parish life highlighted—our liturgical life, vibrant youth ministries, adult continuing education programs, annual events and more. We hope you find this informational helpful in connecting you, and your family, with Saint Philip.

In the end, our mission is to help our parishioners and friends journey toward a relationship with Christ, through His Sacraments and the ancient yet highly relevant teachings of the historic Orthodox Christian Church.

I hope we can journey together, as a parish family, toward this great goal.

Yours,
Fr. Alex Chetsas

OUR WORSHIP: WHAT'S IT ALL ABOUT?

Orthodox Christian worship engages all the senses and holds a life-changing beauty that moves the heart, mind, and soul. Our prayers, chanting, choral music, and beautiful symbolism guide and direct our spiritual vision toward one direction—the Person of Christ. He is the center of our lives, and His love inspires and solidifies the bonds of our community. In worship, we take holy action: with great love and conviction, we enter into a relationship with Him, a relationship that is nurtured and grown each day of our lives.
