Your Treasure

In gratitude for God's blessings, I/we commit to Christ and His Church the following amount:

\$_____ is the total amount pledged for 2019

We will give this in increments (check one below)

Weekly____ Monthly____ Annual____

On Line - Credit Card Gifts

Give it a try! www.stphiliph.org Look under the "Giving" section and select Stewardship.

This is simple to do! Specify in the "special instructions" block on the website the payment frequency if other than one lump sum.

For recurring billing, complete the first payment and we will then call you to set this up.

\$_____ is the total amount pledged for 2019

We will give this in increments (check one below)

Weekly____ Monthly____ Lump____

Each year we ask our faithful to complete a Commitment Card. This is confidential and your name will never be published in conjunction with giving levels. And, you will never get a bill should you be unable to fulfill a pledge.

This Commitment Card helps us see how we are doing as a community. It also enables us to better stay in touch as well as make you aware of the many ministries that are available here at St Philip.

Please help us by completing this card as part of your 2020 offering.
